|---------------------------------|--|
| SmartWash® SW™ Original Formula | US patent 9,259,006 Australia patent 2008349813 Brazil patent PI0822104-9 Canada patent 2,712,678 Great Britain patent 2469245 Mexico patent 317848 New Zealand patent 586994 European application 2249653 International application WO 2009/099419 |
| SmartWash® Boost | US patent 10,939,697 US patent 11,528,930 US patent 11,576,415 US patent 11,839,229 US application 16/787,322 US application 18/167,679 US application 18/497,573 |
| SmartWash® Boost Control System | US patent 10,939,697 US patent 11,528,930 US patent 11,576,415 US application 16/739,562 US application 16/787,322 US application 18/167,679 US application 18/497,573 |
| EPIC Panel Sterilight™ | US application 16/418,737 US application 63/508,576 Australian application 2019276967 Canadian application 3101511 European application 1973004.1 International application WO 2019/231791 Mexican application 2020/012835 New Zealand application 769335 |

ASAP™

US patent 10,939,697
US patent 11,390,537
US patent 11,465,915
Australia patent 2017338763
Canada patent 3,097,366
New Zealand patent 752266
New Zealand patent 774827
US application 16/418,737
US application 17/045,749
US application 17/937,717
Australian application 2019276967
Australian application 2022246393
Canadian application 3039200
Canadian application 3101511
European application 17859030.3
European application 19730041.1
International application WO 2018/067583
International application WO 2019/204099
Mexican application 2019/003767
Mexican application 2020/010869
Mexican application 2020/012835
Mexican application 2024/000153
New Zealand application 792993
